# HOLY F\*\*K 8

## La Petite Mort Gallery's annual benefit for freakin' Alzheimer's

La Petite Mort Gallery's is hosting its eighth consecutive party of parties, the infamous HOLY F\*\*K 8 Alzheimer's benefit. It's an unforgettable evening of art, kink, music, video, smut, art, performance and surprises.

Holy F\*\*K 8 is friendly, kink-positive — and it likes

you the way you are. Host Guy Bérubé and his friends promise to shock, stimulate, titillate and unnerve, and, as usual, attract the cops.

It's a wildly fun night in a gallery known for its cutting-edge exhibitions, infamous parties and commitment to the community.

This year's entertainment features the gals of Rockalily Burlesque — famous for their no-pants party — who promise to bring you some of the best burlesque Ottawa has to offer.

Performers include Miss Helvetica Bold, Rhapsody Blue, Sweet Pea and Gypsy Laroux.
